

Concurrent Enrollment Agreement

You have indicated that you are interested in enrolling in a college course while a high school student. The State of Colorado provides several options for high school students who meet high school standards to begin college early. The purpose of these options include promoting content standards, providing academic challenges, and providing access to academic courses that may not be available at a local high school to meet high school graduation requirements.

Persons under twenty-one years of age, enrolled in the 9th - 12th grade in a school district, who demonstrate academic preparedness, are eligible for concurrent enrollment programs. Students enrolled in 12th grade at a school district may enroll in basic skills courses, if approved by the school district. If a high school student fails 12th grade, they may not enroll in more than 9 credits concurrently during the repeat year. To enroll at a Community College a student must have completed the minimum course prerequisites and all required assessments.

I understand that this agreement entitles me/my child to enroll in college courses. I understand the following:

1. I will meet the same course requirements as college students.
2. The course satisfies college graduation or basic skills requirements.
3. Transfer course credits will only transfer if I earn a C or better in the course.
4. The grade received in this course will appear on my official college transcript.
5. If I withdraw from the course after the drop/add date, I will receive a W or F on my college transcript.
6. I am not eligible for the privileges of a college student, i.e., may not participate in college activities or sports, not eligible for federal or state-funded financial aid, including institutional scholarships funded with general fund dollars.
7. I choose to authorize use of my College Opportunity Fund (COF) stipend for all eligible credits for this term and understand that these credits will be deducted from my COF account. If I choose to decline the COF stipend, I will be financially responsible for that portion of tuition. This applies only to students who have applied for the College Opportunity Fund.
8. I understand that to access my child's records, including grades, attendance, and disciplinary actions, my student must sign a waiver or I must provide my most recent tax records verifying that my student is a dependent.

Attention Parent or Guardian: By signing this agreement, it is understood that if the student receives a grade of "D" or "F" or an "Incomplete" or withdraws in one or more of their classes after the designated drop date, the student and parent may be responsible to the sponsoring School District for payment for the respective class(es).
