

## Student Financial Aid 2021-22

Institution: Pikes Peak Community College (127820)

User ID: P1278201

### Overview

#### IPEDS Student Financial Aid Component Overview - Public Academic Reporters

Welcome to the Student Financial Aid (SFA) component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

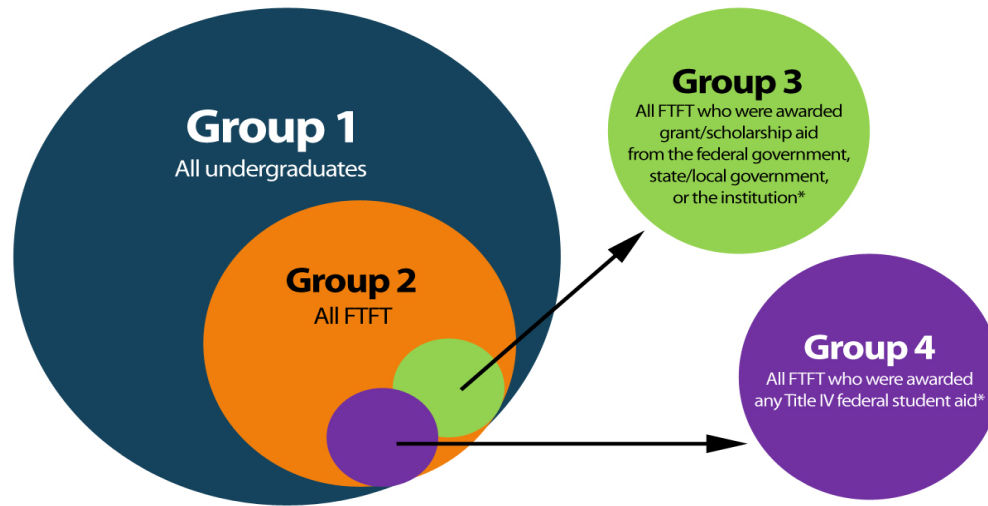

#### Data Reporting Reminders:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting. For example, if a summer term began later than usual due to Coronavirus Pandemic postponements, continue to report using the timeframes as defined in the IPEDS instructions. NCES expects that some data reported during the 2021-22 data collection year will vary from established prior trends due to the impacts of Coronavirus Pandemic. If an error edit is triggered even when submitting accurate data, please indicate in the corresponding context box or verbally to the Help Desk that the seemingly inconsistent data are accurate and reflect the effects of Coronavirus Pandemic.

- Undergraduate Student Groups

You will be asked to report information for different groups of students.

- Group 1: All undergraduate students
- Group 2: Of Group 1, full-time, first-time degree/certificate-seeking students (FTFT)
- Group 3: Of Group 2, FTFT students who paid the in-state/in-district tuition rate and were awarded any grant/scholarship aid from the federal government, state/local government, or the institution
- Group 4: Of Group 2, FTFT students who paid the in-state/in-district tuition rate and were awarded any Title IV federal student aid

\*For public institutions, include only those students paying the in-state or in-district tuition rate. For program reporters, include only those students enrolled in the institution's largest program.

- COA Revisions

Revisions to Cost of Attendance (COA) used to calculate the net price of attendance can be made in this component.

Consult the instructions and screens to make sure you are reporting the correct aid amounts for the correct groups of students.

- College Affordability and Transparency Lists

Net price amounts calculated in SFA will be used to populate the U.S. Department of Education's College Affordability and Transparency lists.

- Interactive Edits and Error Messages

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at (877) 225-2568 for resolution.

- Context Boxes

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

### Changes to reporting for 2021-22:

There is a new FAQ about reporting financial aid awards for students who attend in the summer.

## Section 1: Comparison Chart

### Comparison Chart

#### Reporting Reminders:

- Based on the information reported on the previous screens for Group 1 (all undergraduates) and Group 2 (full-time, first-time degree/certificate-seeking undergraduates), this comparison chart seeks to help institutions check their reported data. Assuming that the information on Groups 1 and 2 is correct, then the calculated fields for 'All Other Undergraduates' should be the balance (Group 1 minus Group 2). If the balance does not check with your institution's calculations, please correct your reported numbers for Groups 1 and 2 before moving forward with the completion of the SFA survey component.

#### Note:

- Data for the 'All Other Undergraduates' will appear in the IPEDS Data Center for data users, but not in College Navigator.

<b>Screen: Part C, Page 2 - Enter Information about Group 2</b>				
Screen Entry	The average amount of this type of aid awarded to Group 2 students is outside the expected range of between 1,173 and 2,537 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
Reason	In Fall 2020, most of the institutional grants and scholarships awarded to students was to cover the withdrawn classes from Spring 2020 that students had to retake. In Spring 2020, PPCC shut down campus due to the Covid-19 pandemic. The institution decided to cover the cost of retaken classes. The Fall 2020 first-time full-time cohort were not enrolled Spring 2020, so they received less of this type of aid in Fall 2020 than other non-first-time students.			

Screen Entry	The average amount of this type of aid awarded to Group 2 students is outside the expected range of between 5,801 and 7,165 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
Reason	PPCC saw a significant decrease in the number of first-time full-time students in Fall 2020 as compared Fall 2019. This decrease mirrored the overall drop in enrollment PPCC experienced during the COVID-19 pandemic. As a result, fewer first-time full-time students took out non-federal student loans than in Fall 2019, lowering the average amount awarded per student.			

**Screen: Part D - Enter Information about Group 3**

Screen Entry	The number entered is outside the expected range of between 234 and 432 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason	PPCC saw a significant decrease in the number of first time full time students in Fall 2020 as compared Fall 2019. This decrease mirrored the overall drop in enrollment PPCC experienced during the COVID-19 pandemic. This explains why the number of students in this category is lower than expected based on previous years.			

**Screen: Part E - Enter Information about Group 4**

Screen Entry	The number entered is outside the expected range of between 235 and 435 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason	PPCC saw a significant decrease in the number of first time full time students in Fall 2020 as compared Fall 2019. This decrease mirrored the overall drop in enrollment PPCC experienced during the COVID-19 pandemic. This explains why the number of students in this category is lower than expected based on previous years.			
Screen Entry	The total number of Group 4 students who were awarded any Title IV aid across all income levels is outside the expected range of between 525 and 875 based on the prior year value. Please correct your data or explain. (Error #7333)	Explanation	Yes	
Reason	PPCC saw a significant decrease in the number of first time full time students in Fall 2020 as compared Fall 2019. This decrease mirrored the overall drop in enrollment PPCC experienced during the COVID-19 pandemic. As a result, there are fewer students in this category than expected based on previous years.
