and Rampart Only

9 am—1pm

*Times change in between
semester finish and start
dates

Testing Guidelines

- A valid photo ID must be presented to be Tested
- *Appointment are not required*
- *Visit the Testing Center Web-site for more information regarding testing*

EdReady is an online platform that allows you to assess your readiness for college math, see study options, and get a personalized study path to fill in your knowledge gaps. If you put in the time and learn the material you can be better prepared for college math.

Go to ppcc.EdReady.org & register using any email. After your registration is confirmed, log in and enter the PPCC EdReady goal keys:

Accuplacer Next Gen Math: **TestPrep18**

Accuplacer English: **ppccenglishprep**

THREE THINGS YOU SHOULD KNOW ABOUT

Getting a Strong Start in College

Success begins with your placement test.

1. ACCUPLACER® TESTS

Your school uses ACCUPLACER tests to help find out which courses are best for you.

2. PLACEMENT COUNTS

Studying for your placement test can help you place into higher-level courses—saving you money and helping you earn your degree faster.

3. STUDYING HELPS

Studying is easy with the **free** ACCUPLACER study app. Giving you access to practice any-time, anywhere.

The app includes sample questions and explanations for both correct and incorrect answers. Explore practice questions and get feedback on the skills you need to focus on the most.

Jump-start your college journey—start preparing for ACCUPLACER today!

Go to accuplacer.collegeboard.org/educator/next-generation

Make sure to pick the **Next Generation** version practice test.

You may not have to take a Placement Test if you have one of the following exemptions

- You have qualifying ACT or SAT scores (less than five years old). ACT (Eng 18, Read 17, Math 23) / SAT (Verb 470, Math 500) scores.
- High School Transcripts with a un-weighted cumulative **GPA of 3.0 or higher**.
 - Algebra II, Geometry, or Pre-Calculus course (last 18 months) B grade or better.
 - Junior year English class (less than 2 years old) B or greater.
- You have successfully completed previous college-level Math and/or English with a C or better.
- You have earned an Associate's Degree (AA or AS) or higher.
- You are over 20 years old and taking one course (that is not English or math) for personal interest or job enhancement.
