

Rampart Range STEM FELLOWS

SPRING 2022 In-Person Weekly Schedule

ABOUT

- Chemistry, Biology and Math are subjects that can be confusing and stressful.
- The LC hosts additional support to help supplement your class with a program called STEM Fellows.
- STEM Fellows is an hour-long session that focuses on MAT 121, BIO 111 or CHE 111 subjects guided by a tutor.
- You lead the session with your questions and gives you the opportunity to engage in a group tutoring session, obtain further resources to study, and communicate with your fellow classmates.

CONTACT

Please email:

- STEMFellows@ppcc.edu with any questions, comments, or concerns.

We will be offering Math 121 STEM Fellow Sessions at the Rampart Range campus during the Spring 2022 semester. See Centennial Campus schedule for BIO 111, CHE 111 and more Math 121 sessions.
