Information about Financial Documentation

Although we can accept a COPY of a bank statement in many instances, PPCC may request that a bank statement come to us directly from the bank or may request a more recent statement. PPCC may also request housing funds be documented with bank statements if we are not able to verify sponsor documents for sufficient funding. We may ask for this at any time during the admissions process.

Funds shown must be for the express purpose of funding a student's international study and living expenses. Submitting falsified bank documents or submitting bank statements with funds that are not intended for the student's use is considered visa fraud and could result in permanent visa ineligibility by the US government.

Note for Transfer Students

Please note that additional documentation will be required after acceptance to process your SEVIS record transfer. Acceptance to PPCC does not guarantee a SEVIS transfer. The minimum GPA required to transfer to PPCC is 2.0. Students who have a terminated SEVIS record are not eligible for transfer to PPCC.
