

FEATURED EVENT

THE SHADOWS

Don't miss this visual exploration of the taboos surrounding mental health and artistic expression in various mediums by Colorado artist Matte Refic. A pioneer in the inmate art program in Colorado prisons, Matte has designed several interactive books that challenge prisoners to color outside the lines, and learn to use art as a platform for emotional expression.

Opening Reception: Oct. 19 | 5-7:30 p.m. | Show runs through Dec. 2.

Downtown Campus Studio | Art Gallery | Monday-Friday 10 a.m.-5 p.m.
