<b>Infant Program</b>	<b>\$68 per full day</b>	
<b>Toddler Program</b>	<b>\$66 per full day</b>	
<b>Preschool Program</b>	<b>\$62 per full day</b>	<b>\$38 per half day</b>

**Registration fee is \$45 per child per semester.**

- **Minimum enrollment is two days per week.**
  - Infants and Toddlers must be enrolled for full days
  - Preschool age children can be enrolled for full or half days (7:15 a.m. - 12:00 p.m. or 12:00 p.m. - 5:30 p.m.)
  
- **If you are a student at Pikes Peak Community College:**

The Child Development Center is able to provide sliding scale rates and accept CCCAP from Department of Human Services because student funds supplement the difference in cost.

  - In order to receive sliding scale rates or for the Child Development Center to accept DHS assistance, we require a parent to be enrolled in and maintain at least six credits per semester at PPCC
  - Sliding scale rates are based on your current FAFSA
  - Additional child care funding assistance may be available
  - For further information go to [ppcc.edu/child-care](http://ppcc.edu/child-care)
  
- **PPCC Staff and Faculty are eligible to participate in the income based sliding scale.**
