

FEATURED STORY

PPCC NEW STUDIO WEST

This 10,000 square-foot building is located across Sierra Madre, west of the main Downtown Studio buildings. It will house a black box theatre, dance rehearsal and performance space and an expanded art gallery. Studio West will help PPCC become part of the thriving downtown arts scene.

The remodel will be completed by the fall semester. And, the spaces created in the other buildings will allow for a new Learning Commons and more.
