

 **FEATURED STORY**

COLLEGE BUS PASS PROGRAM

Thanks to an overwhelming student vote for a new fee, all PPCC students can ride any Metro Mountain Bus anytime for any purpose with a swipe of their PPCC student I.D.

If the I.D. was issued before June 18, they can get a new one for free at any Student Life Office.

Navigating the Mountain Metro Bus System is easy. Use Google or Apple Maps on your smartphone to see all routes and schedules. There's even a new route (#40) to Rampart Range Campus.

So get on board. Avoid the stress of driving in traffic and bad weather and save money.
