

FEATURED STORY

Enrollment Answers

Spring enrollment is in full swing, and registering now will make it easier to get the classes you want. You don't need to wait until your current classes are over before registering for spring.

Our Navigate platform, navigate.ppcc.edu, makes registration simple. You also can register the old way through the student portal at myportal.cccs.edu.

Need help? If you need help registering or have questions about changing your major or which classes to take to keep you on track to graduate, see an Academic Advisor at ppcc.edu/advising or 719-502-3232.

Find answers to many common questions on our Helpful Tips page at ppcc.edu/tips.

ANNOUNCEMENTS

Course Evaluations

The college needs your feedback on courses and instructors to make improvements. Your comments are never individually identified and are given to instructors only after grades are posted. Use the link sent to your student email or on the D2L homepage from Nov. 25-Dec. 10.
