

College in Colorado is a free online career resource available to all students and community members. It includes free skills, values and interest assessments, occupational and salary information, resources to locate degree and certificate programs by college, occupational videos, and additional resources such as a resume builder.

1. To access College in Colorado, go to CollegeinColorado.org.
2. Click the “Create an Account” link in the blue Sign in box.
3. Click the Go button next to “College or Postsecondary School Student” and create an account. Record your account name and password here to use next time:

Account name: _____
Password: _____

4. Click on “Career Planning” and “Learn About Yourself.” To determine your interests, skills, and work values and use them to find career options that are right for you, complete at least 3 of the following surveys:
 - Interest Profiler
 - Career Cluster Survey
 - Basic Skills Survey
 - Transferable Skills Checklist
 - Work Values Sorter
 - The Career Key

5. Click on Career Planning” > “Explore Careers” > “Career Finder.” You can explore occupations based on the results of your surveys as well as other factors. Click on the occupation names to research specific occupations.

When finished, we suggest you drop-in to meet with a Career Advisor in Career Planning & Advising to discuss your results. Please visit <http://www.ppcc.edu/advising/career-planning/> for more information about hours and locations. You can also contact us at career@ppcc.edu or call (719) 502-2121.
